**NURSING & MIDWIFERY
BOARD OF IRELAND ELECTIONS
(Category 2) RSCN Seat**

- **YOUR VOICE**
- **YOUR SAY • YOUR VOTE**

Use **YOUR** vote to make a difference for Nurses and Midwives

Dear Voter,

I have put myself forward for election to the NMBI. As a lifelong trade unionist I believe that it is vital that workers have the opportunity to have their voices heard and value for money representation.

With your vote I am confident that I have the compassion, commitment and experience to deliver for all nurses and midwives.

If I am elected, I assure all members that I will represent your views and concerns on the Board to the best of my ability.

My priorities include:

- Promoting openness, transparency and a value for money service from our professional body.
- Supporting a proactive role from the NMBI in addressing staff shortages and safe fitness to practice levels.
- Campaigning to reduce delays registering nurses and midwives.

I hope you will consider me for your No. 1 vote. If you would like to contact me please do not hesitate to do so.

You can vote for me by logging on to the NMBI website from the 25th November 2015 at 9.00 a.m. until the ballot closes on 30th November 2015 at 4.00 p.m.
