

SIPTU HEALTH MEMBERS SURVEY

CONTINUOUS PROFESSIONAL DEVELOPMENT

SIPTU and the Royal College of Surgeons in Ireland are re-launching the SIPTU College of Continuous Professional Development.

We want to hear from all SIPTU Health Division members about your experiences and thoughts on ongoing training so we can develop the best courses for you in partnership with the faculty.

You can do this by filling in a short survey about your experiences of continuous professional development. The survey takes about 12 minutes to complete and is entirely anonymous.

It is your opportunity to have your voice heard on ongoing training.

The survey is open until 5.00 p.m. on 7th July, 2023.
